New Ballrooms!

We have booked some new ballrooms these last few months. One is in Elbow Lake, MN - "Dream Weavers Ballroom" on Aug. 8th. Another is the "Tropical Ballroom" in Woodbury, MN on Aug. 6th.

We played at the "Horseshoe Ballroom" in Spring Hill, MN in March and will appear there again in July. Hope you will come and support these new ballrooms!

Memorial Day Weekend Fests!

We had a great holiday weekend once again as Larry & Brenda Olsen of Lake Benton, MN hosted their annual Music fest on the farm.

A great crowd was on hand again and a film crew from "Funtime Polka", Appleton, MN did a great job of recording this great event for the PBS station in Appleton, MN. Those of you who get this station, be sure to watch for new episodes soon.

Also the same weekend we traveled to Clarissa, MN for their annual polka fest and they also had a great crowd for that. We worked it on Sunday afternoon and was amazed to see how many of our fans wore our "Fan Club" t-shirts for the occasion. I promised them they would be featured in my next newsletter sooo - Here They Are!!

Guests in Arizona

This past winter's Arizona tour was a great success and a lot of fun. We were very happy to have some special guests stay with us at two different times. They were my Mom, Lorraine, and my son Kyle and his wife Jamie.

Me & Mom

We took the time to visit the Grand Canyon while they were here, which is always a great place to visit.

Two New Homes

I have to apologize for being so late in getting a newsletter out. I completely skipped one quarterly newsletter.

We have been so busy with changing addresses in both ND & AZ. We're downsizing and trying to have a smaller place in ND & a condo in AZ.

We sold our double-wide in Mesa a day after we left last March. So we flew back down to Mesa over Easter to move our belongings into storage and get it ready for the new owners.

Then we put our four bedroom house in West Fargo up for sale and found a twin-home to move into, also in West Fargo.

Then we flew back to AZ the first week in June to look for a condo. We found one and are waiting for the paperwork to be finished.

Meanwhile, we have been moving into our new WF home and cleaning out the old one. I don't know if I'm coming or going! Makes my head spin.
