Bandwagon

We traveled to Mankato MN to the Kato Ballroom June 7th to tape four ½ hour shows for Bandwagon, a local television show that features various bands for your entertainment.

We had a fabulous crowd that turned out to dance and make the recording session full of life. Thanks to all who turned out that night, we really appreciate your support.

We even had four of our good friends and great followers come up from the Fargo area.

The hosts for Bandwagon are Dick Ginn & Tom Goetzinger who do a very fine job.

If you are in the Mankato area, be sure to watch on KEYC-TV on Saturday at 11:30 am for Bandwagon. Our segments will run June 12th, 19th, 26th & July 3rd.

Who knows - you might see yourself dancing.

Lake Benton

Once again Larry & Brenda Olsen had a fantastic crowd at their annual Music Fest at the farm in Lake Benton, MN over Memorial Day weekend.

They had done some more remodeling, which added more seating and more room between dance floors. Everyone thought it was a great addition - good job guys.

Oh Oh - Looks like Janice & I got caught having a beer!!

New Email!!

Again, I have had to get a new email address. As we are on the road so much, I had to get one that I can have better access to wherever I am.

Please change your address books to reflect my new email address which is:

julielee.ternes@gmail.com

-Hopefully the last time I have to change it. Thanks!!

Lake Robbins, IA

We traveled to Osseo, WI for the Osseo polka fest & then to Woodward, IA to work at the beautiful Lake Robbins Ballroom in late April for three great days. We played for John & Lorna Grow's 15th Anniversary party even though John was recuperating from his auto accident coming home from AZ this spring.

We went up to John's hospital room and surprised him with a few tunes with Hugo on accordion and Laddie & I on clarinets. He sure enjoyed that!

Clarissa, MN

We traveled to Clarissa, MN to the Clarissa Ballroom on Sunday of Memorial Day weekend. A good crowd was on hand as usual. The ballroom had another very successful polka festival.

The appreciation dinner Sunday night was very well attended.

Becksterfest

We were back at Becksterfest in Amana, IA this year and what a fantastic turnout on Friday night when we worked together with Barefoot Becky. Wow!!

Saturday again had a great turnout with the second building also providing music. Becky and Terry have certainly something to be proud of there, with the attendance growing every year. If you haven't made it to Becksterfest yet, you should give it a try - you won't be disappointed.

Band of the Year

Once again our band has the honor of being nominated for "Band of the Year" by the Minnesota Ballroom Operator's Association. It is such an honor to be nominated by the folks who run the ballrooms. The nominees this year are:

1. Julie Lee/White Rose Band
2. Barefoot Becky
3. Larry Olsen Band
4. Leon Olsen Show

You can place your vote at any of the participating ballrooms who are members of the Minnesota Ballroom Operator's Association. The winner will be announced at a special banquet on October 6th.

Delta Dick

I had the pleasure to meet Delta Dick at Larry Olsen's. Dick is one of DJ's who have a syndicated show on www.247polkaheaven.com - the 24 hour polka/big band internet site. Dick plays our music as well as does Walt Procanyn & others. Dick also has a website at www.deltadickshow.com. He has music always streaming in the background. Check out both these sites.
